

Huntress Integration Setup

Perform the following steps to connect Huntress to MSPbots:

1. Log in to your Huntress account and go to **API Credentials**.
2. Generate and secure the API key and secret.

3. Log in to the MSPbots app and navigate to **Integrations** on the menu.
4. On the Integrations tab, search for **Huntress** and click it.
5. Enter the API key and secret in the corresponding fields.

The screenshot shows the 'Huntress' integration setup form within the MSPbots app. It features two input fields: 'Key' and 'Secret', both with placeholder text 'Please Enter Key' and 'Please Enter Secret' respectively. A green 'Save And Sync' button is located at the bottom of the form.

6. Click **Save And Sync**.
