

LogicMonitor Integration Setup

Perform the following steps to connect LogicMonitor to MSPbots:

1. Secure the following information for your LogicMonitor account:
 - Company
 - Access ID
 - Access Key
2. Log in to the MSPbots app and navigate to [Integrations](#) on the menu.
3. On the Integrations tab, search for **LogicMonitor** and click it.

The screenshot shows a web interface for integrating LogicMonitor. At the top left is the LogicMonitor logo. Below it, there are three input fields for 'Company', 'Access Id', and 'Access Key'. Each field has a placeholder text 'Please Enter [field name]' and a small 'x' icon to the right. At the bottom of the form is a green button labeled 'Save And Sync'.

4. Enter the information from Step 1 into the corresponding fields.
5. Click **Save And Sync**.
