

Cisco Meraki Integration Setup

Perform the following steps to Connect Cisco Meraki to MSPbots:

1. Secure the API Key for your Cisco Meraki account:
 - a. Open your [Meraki dashboard](#) and navigate to **Organization > Settings**.
 - b. Ensure that the checkbox for **Enable access to the Cisco Meraki Dashboard API** under Dashboard API Access is selected.
Dashboard API access
☐ API Access  ☒ Enable access to the Cisco Meraki Dashboard API
After enabling the API here, go to your [profile](#) to generate an API key. The API will return 404 for requests with a missing or incorrect API key.
 - c. Go to your profile and generate the API key.
