

SmileBack Integration Setup

Setting up a SmileBack integration with MSPbots is done by authorizing SmileBack in MSPbots and configuring the data source.

To set up and connect SmileBack:

1. Log in to the MSPbots dashboard as an administrator.
2. Go to [Integrations](#) and search for **SmileBack**.
3. Open SmileBack and click the **Sync** button.

Important: This and the next steps require SmileBack login. Log in to SmileBack before you proceed. SmileBack will prompt to authorize MSPbots to pull data. Click **Yes, authorize MSPbots**.

4. You will see a message saying that you have successfully linked SmileBack. Click the **Save** button.
5. Test the connection.
