

What does N/A on the Attendance board mean?

This status bar at the bottom of the employee's box in the Attendance dashboard shows the **In Progress** tickets that users are working on. The N/A status indicates that the user has not moved any ticket to the **In Progress** status since login.

To show the correct status, users with a N/A status should change the status of a ticket to **In Progress** as soon as they start working on it.
