

# bvoip Integration Setup

Set up the bvoip integration with MSPbots using the following steps:

1. Secure the API Key of your bvoip account.
  - a. Log in to bvoip at <https://portal.1stream.com/>.
  - b. Copy the **API Key** to the clipboard.

The screenshot shows the 1stream portal administration interface. The 'Client API Keys' section is highlighted with a red box, showing a table with one entry: 'MSPBot' with an API Key '2573...' and a status of 'No'. A dropdown menu is open for the 'Administration' tab, showing options like 'Manage Organization', 'Manage My Profile', 'Change Password', and 'Downloads'.

2. Log in to MSPbots and go to **Integrations**.
3. Search for **Bvoip** and click it.
4. Paste the account key in the **API Key** field.

The screenshot shows the MSPbots 'Bvoip' integration setup form. The 'API Key' field is highlighted with a red box, showing the text 'Please Enter API Key'.

5. Click **Save And Sync**.
