

ClickUp Integration Setup

Do the following steps to establish your ClickUp connection to MSPbots.

What's in this article:

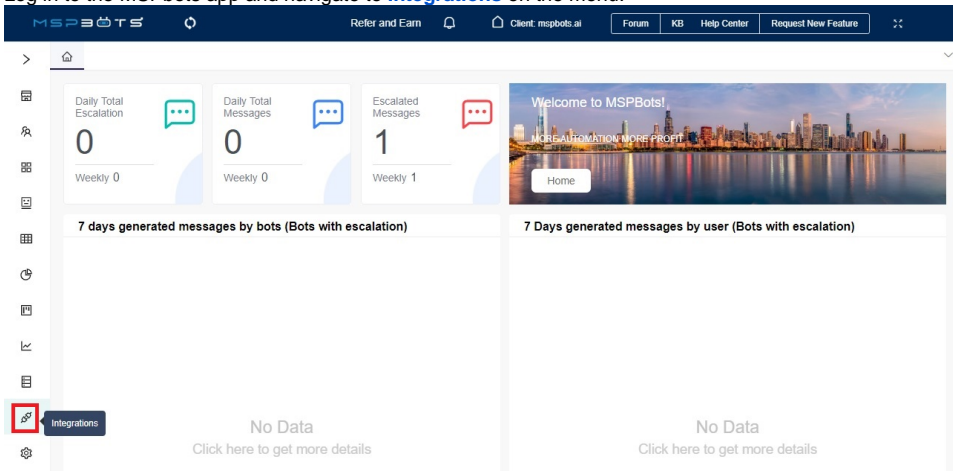

- [Prerequisites](#)
- [How to Connect ClickUp Integration to MSPbots](#)

Prerequisites

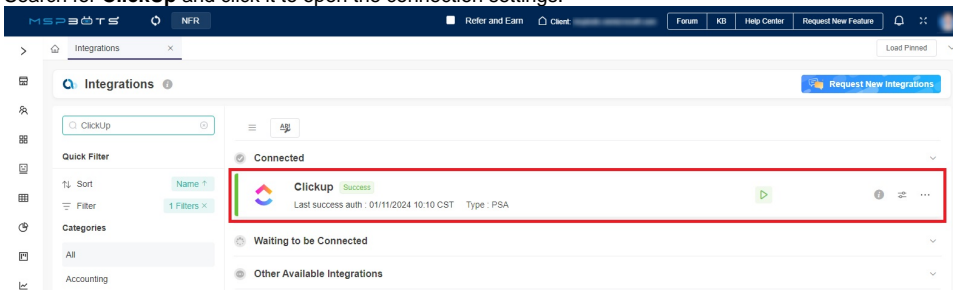

You already have a workspace on ClickUp.

How to Connect ClickUp Integration to MSPbots

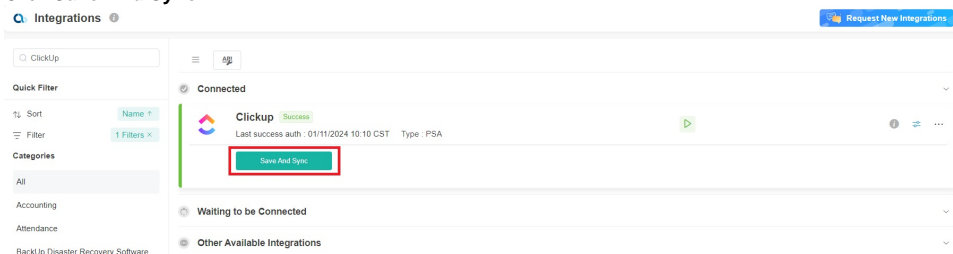

1. Log in to the MSPbots app and navigate to [Integrations](#) on the menu.

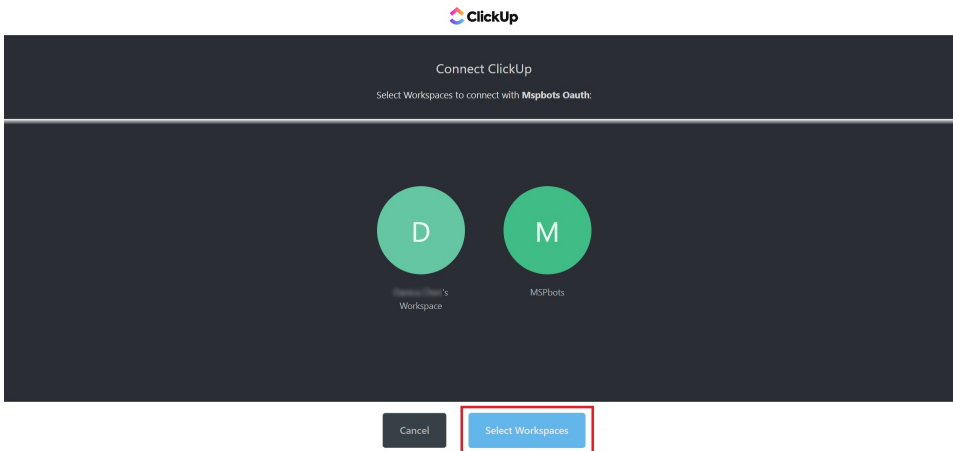

2. Search for **ClickUp** and click it to open the connection settings.

3. Click **Save And Sync**.

4. Select the workspace you want MSPbots to synchronize data with, then click **Select Workspace**.

5. When the page displays **oauth success**, it means that the integration of ClickUp to MSPbots has been successful.
